📋 Overview

Welcome to Module 14! This module will last from Monday, April 24 @ 12:01 AM to Sunday, April 30th @ 11:59 PM. This unit will start our wrap-up of our discussions this semester on Strategic Leadership in Complex Environments. Our focus this week is to complete the material we have discussed this semester to help you to develop a comprehensive strategic plan for thriving in the emerging era of artificial intelligence.

🎯 Objectives

Upon completion of this module, students will be able to:

- Synthesize core concepts on managing strategic initiatives in complex digital environments
- Discover the role of AI in enabling firms to create comprehensive digital ecosystems
- Design a basic AI strategy for an organization
